

Dragan Ranđelović, Prof, PhD

Name: Dragan Ranđelović

Tel.: + 381 11 31 07 118

e-mail: dragan.randjelovic@kpa.edu.rs

Education:

Undergraduate studies: Faculty of Electronics in Niš (1977)

Master's studies: Faculty of Electronics in Niš (1984) (Thesis title: Contributions to the Theory and Practice of Economical Methods for Network for Solving Non-stationary Equations of Mathematical Physics)

PhD studies: Faculty of Sciences of Priština University (1999) (Thesis title: Objective Functions for the Synthesis of Systolic Fields)

Field of Teaching, Subjects:

Field of science: information technology

Subjects

1. Basis of IT
2. Computer organisation
3. Discreet mathematics and theory of algorithm
4. Cybercrime
5. Managing and protecting information systems
6. Statistical methods and methods of decision-making
7. Digital forensics
8. Advanced architecture

Teaching and/or scientific-research title:

Full professor
