

Goran Jovanov, assistant prof, PhD

Name: Goran Jovanov

Tel.: + 381 11 31 07 -

e-mail: goran.jovanov@kpa.edu.rs

Education:

Undergraduate studies: "Mihajlo Pupin" Faculty of Technical Studies in Zrenjanin of Novi Sad University (1995) graduate engineer for development-mechanical engineering

Master's studies: "Mihajlo Pupin" Faculty of Technical Studies in Zrenjanin of Novi Sad University (2000) (Thesis title: The Development of the Procedure of Technical Diagnostic of Motor Vehicles with special emphasis on Axle)

PhD studies: "Mihajlo Pupin" Faculty of Technical Studies in Zrenjanin of Novi Sad University (2007) (Thesis title: The Methodology of Investigating the Diagnostic of Basic Parts of the Braking System)

Field of Teaching, Subjects:

Field of science: technical and technological systems

Subjects

1. Contemporary methods in technological engineering
2. Criminalistic identifications
3. Technical and technological engineering

Teaching and/or scientific-research title:

Assistant professor
