

Nikola Milašinović, assistant prof, PhD

Name: Nikola Milašinović

Tel.: + 381 11 31 07 140

e-mail: nikola.milasinovic@kpa.edu.rs

Education:

Undergraduate studies: Faculty of Technology and Metallurgy, University of Belgrade

PhD studies: Faculty of Technology and Metallurgy (Thesis title: The synthesis of pH- and temperature-sensitive hydrogels of itaconic acid as carriers for immobilization of lipase from *Candida rugosa*)

Field of Teaching, Subjects:

Scientific Field: crime-forensics, chemical engineering

Courses

1. Methods of forensic identification of persons (undergraduate professional studies)
2. An Introduction to Chemistry (undergraduate academic studies)
3. Physical chemistry (specialist academic studies)
4. Organic and inorganic chemistry (undergraduate academic studies)
5. Chemical and Technological Engineering (undergraduate academic studies)
6. Contemporary methods in technological engineering (undergraduate academic studies)
7. Technical and Technological Engineering (undergraduate academic studies)
8. Biochemical engineering (undergraduate academic studies)
9. Chemical engineering (undergraduate academic studies)
10. Forensic Methods of Material Trace Identification (specialist academic studies)

Teaching and/or scientific-research title:

Assistant professor
